Rep. Demicco, Mike; Luna, Daniela
Hearing March 14, 2022

Dear Judiciary Committee:

Considering that Governor Lamont has declared that Connecticut is one of the safest states when it comes to "gun violence" and has some of the toughest laws, "but that isn't good enough" reminded me of something that Benjamin Franklin once famously wrote

"Those who would give up essential Liberty, to purchase a little temporary Safety, deserve neither Liberty nor Safety."

I guess we are there. Criminals don't obey laws and all these new laws will do is hurt law-abiding citizens. Banning the sale of firearms will not prevent any crimes, it will only empower criminals with illegal firearms to commit more crimes

Senate Bill 16

House Bill 5416
